## *Hunger is Curable*

The Food Bank of Manatee, operated by Meals on Wheels PLUS, distributes more than one million pounds of food every year to needy people in Manatee County.

We provide food to 110 pantries, soup kitchens and meal programs serving needy children and families. 300-plus volunteers are involved in distributing food through our emergency food network.

Food drives and donations are always welcome in order to keep our shelves re-stocked and our trucks on the road year round.

### *Volunteer Opportunities*

Our dedicated volunteers make our programs successful by helping in numerous ways such as delivering meals to homes, preparing food bank baskets, helping with the Friendship Dining Centers, Adult Day Center, MOW PLUS office or the Senior Enrichment Center.
